When linking to an Ebsco article in SAM use the URL created by clicking on Permalink in the full title record and copy and paste the URL from the Permalink box into SAM, or Groupwise, or any other resource links that you create. DO NOT use the URL found in the address box of the browser window otherwise students will not be able to access the document from home, off-campus, or the wireless network on-campus. Here is the proper Permalink link created for this record to put up in SAM:

Please note that when students click on Ebsco article links such as this from off-campus, they will be required to enter their Holland College network username and password.
