RESIDENT CARE WORKER PROGRAM

Work/Volunteer Experience Information

To be completed by Employer/Supervisor/Volunteer Coordinator.

In order to be considered for admission to the Resident Care Worker program, it is required that applicants have **40 hours of paid or volunteer work experience**, preferably within the last 5 years, in a Long Term Care, Mental Health, or suitable facility that addresses special client needs. This form is confirmation of that experience. Please complete and sign this form and return it either to the applicant, or directly to Holland College by using the above address or fax number. Thank you.
