GIVE NOW

Many Holland College graduates recognize that they benefited from the generosity of donors while pursuing their post-secondary education. This could have been through the advanced technology that was available in the classroom that allowed them to bring their skills to the next level and land the job of their dreams, or perhaps they received a scholarship, bursary, or award that lessened their financial worries and allowed them to focus more on their education. Donors makes these possibilities a reality.

As a way to commemorate their post-secondary experience and "pay it forward", a number of alumni choose to give back by donating to the Holland College Foundation. Alumni gifts inspire the next generation of leaders.
