Giving Tuesday is a global movement for giving and volunteering. Considered the "opening day of the giving season," it's a time when charities, companies, and individuals join together and rally for favourite causes.

Giving Tuesday harnesses the potential of social media and the generosity of people to bring about real change in their communities.

Thank you to those of our alumni who participated in Giving Tuesday by making a charitable donation to the Holland College Foundation. Your support will make a difference in the lives of our students!
