

Connecting to HCWIFI with Windows 11

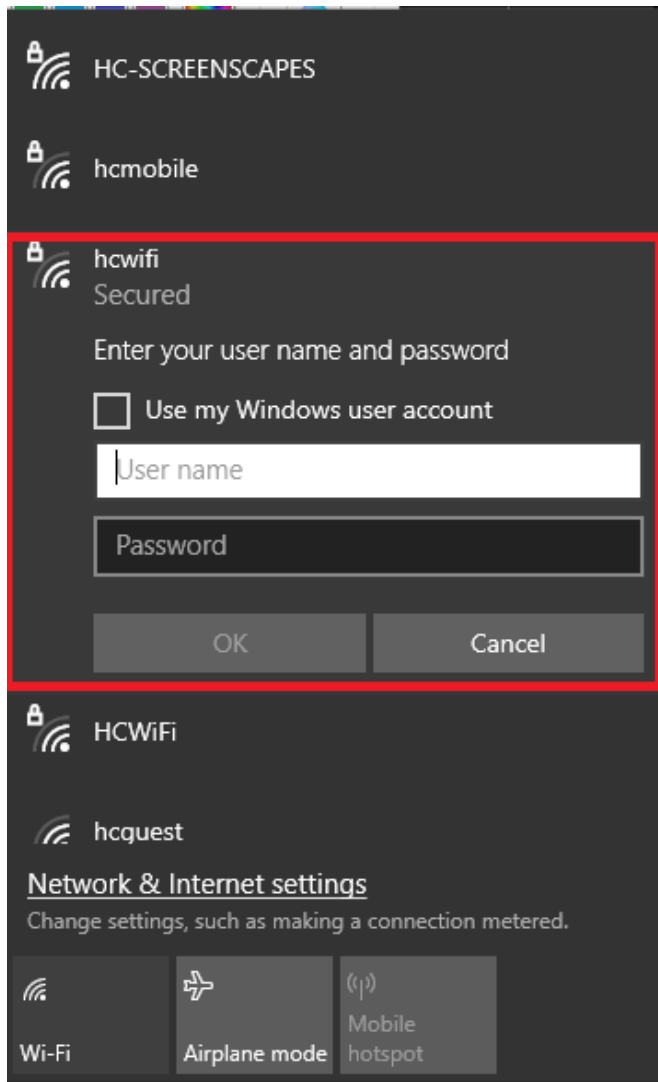

1. Click on the Windows wireless utility icon

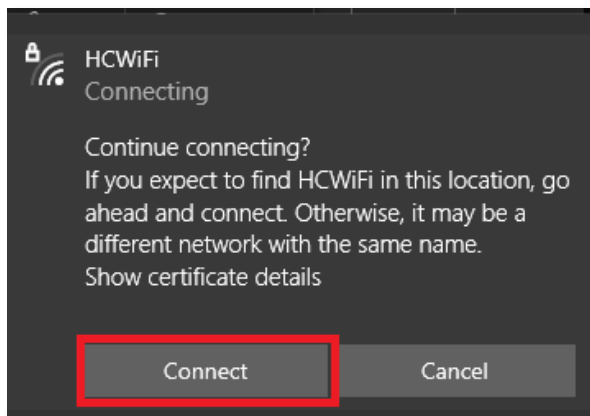

2. Select the **HCWIFI** wireless network

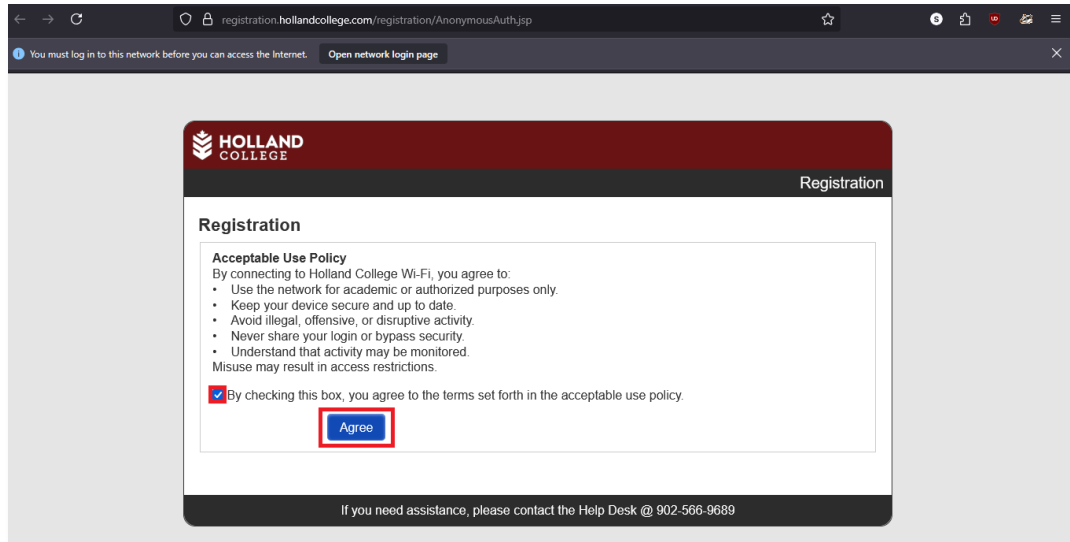

3. Enter your **Holland College** username and password

4. If you see an alert asking to continue to connect, click on the **Connect** button

5. You will be taken to a Captive Portal. Select the **checkbox** (which means you agree to the terms of the Acceptable Use Policy) and click **Agree**.

The screenshot shows a web browser window with the address bar displaying "registration.hollandcollege.com/registration/AnonymousAuth.jsp". A notification bar at the top states "You must log in to this network before you can access the Internet. Open network login page". The main content area features the Holland College logo and a "Registration" header. Below this, the "Acceptable Use Policy" is listed, followed by a checkbox that is checked and the text "By checking this box, you agree to the terms set forth in the acceptable use policy." A blue "Agree" button is highlighted with a red rectangle. At the bottom, a footer provides contact information for the Help Desk.
